Inadequate client response to FBIS questionnaire.

1. Reference their reply to FBIS questionnaire regarding utilization and evaluation of FBIS material, 6-2 EUCOM made no mention of the London Roundup which you apparently furnish regularly to their Intelligence Division.

2. Since EUCOM's acknowledgement concerned only receipt of the FBIS Daily Report, it raises the question of what interest or value the Roundup is to their present operations. If the London Roundup is not utilized by the Intelligence Division of EUCOM, they should be withdrawn from the distribution list.

3. The questionnaire was sent to Lt. Col. W. R. Rainford, H.Q. European Command, Intelligence Division, APO 757 U.S. Army, and signed by Wallace W. Wilkins, Jr., Intelligence Div. H.Q., EUCOM.

4. Suggest you direct inquiry to this client with a view toward receiving a more adequate response regarding their utilization of the London Roundup.
